Submit an Application for Graduation

Congratulations on your anticipated graduation from the University of Missouri – Kansas City.

Click on the Apply for Graduation link to proceed with your application. All students are required to submit an application for graduation for each degree to be awarded. Students must apply prior to the deadline for that term, which is March 31 for Spring, June 30 for Summer, and October 31 for Fall. Students who need to update their application for graduation with a new term must fill out the application again.

Only apply for the term in which you will have all coursework completed. If a student does not finish all degree requirements in the term in which they applied, then a new application will have to be submitted for the new anticipated graduation term.

All diplomas are printed as portrait style. Diplomas will be available for pick up within 40 days after the last final exam for the term. If not picked up, we will mail them to your degree address 2 weeks later.

If you have missed the deadline to apply for graduation please contact the Registration and Records Office at 816-235-1125 or email at Registrar@umkc.edu.
